## NU643 Neurotransmission Mind Map Assignment Completion Checklist and References:

Dopamine
<ul> <li>□ Main Properties and Characteristics of Neurotransmitter</li> <li>□ Anatomical Location (s)</li> <li>□ Associated Receptors</li> <li>□ Psychiatric diagnosis with Deficit</li> <li>□ Psychiatric Diagnosis with Surplus</li> <li>□ Medications/Drug Class that increase</li> <li>□ Medications/Drug Class that decrease</li> <li>□ Minimum of one reference in APA format</li> </ul>
GABA
<ul> <li>□ Main Properties and Characteristics of Neurotransmitter</li> <li>□ Anatomical Location (s)</li> <li>□ Associated Receptors</li> <li>□ Psychiatric diagnosis with Deficit</li> <li>□ Psychiatric Diagnosis with Surplus</li> <li>□ Medications/Drug Class that increase</li> <li>□ Medications/Drug Class that decrease</li> <li>□ Minimum of one reference in APA format</li> </ul>
Glutamate
<ul> <li>□ Main Properties and Characteristics of Neurotransmitter</li> <li>□ Anatomical Location (s)</li> <li>□ Associated Receptors</li> <li>□ Psychiatric diagnosis with Deficit</li> <li>□ Psychiatric Diagnosis with Surplus</li> <li>□ Medications/Drug Class that increase</li> <li>□ Medications/Drug Class that decrease</li> <li>□ Minimum of one reference in APA format</li> </ul>
Serotonin
<ul> <li>□ Main Properties and Characteristics of Neurotransmitter</li> <li>□ Anatomical Location (s)</li> <li>□ Associated Receptors</li> <li>□ Psychiatric diagnosis with Deficit</li> <li>□ Psychiatric Diagnosis with Surplus</li> <li>□ Medications/Drug Class that increase</li> <li>□ Medications/Drug Class that decrease</li> <li>□ Minimum of one reference in APA format</li> </ul>

☐ Norepinephrine/Epinephrine
☐ Main Properties and Characteristics of Neurotransmitter
Anatomical Location (s)
☐ Associated Receptors
☐ Psychiatric diagnosis with Deficit
☐ Psychiatric Diagnosis with Surplus
☐ Medications/Drug Class that increase
☐ Medications/Drug Class that decrease ☐ Minimum of one reference in APA format
in Minimum of one reference in APA format
☐ Histamine
<ul><li>☐ Main Properties and Characteristics of Neurotransmitter</li><li>☐ Anatomical Location (s)</li></ul>
☐ Associated Receptors
☐ Psychiatric diagnosis with Deficit
☐ Psychiatric Diagnosis with Surplus
☐ Medications/Drug Class that increase
☐ Medications/Drug Class that decrease
☐ Minimum of one reference in APA format
I have completed the assignment fully as referenced in the requirements above.
Thave completed the assignment runy as referenced in the requirements above.
